ARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but,
thanks to modern illumination, they are more
than offset by the joyous nights. Darkness
now is only a setting which brings out more
strongly by contrast the glories of light. If the
day gets too gloomy, we turn a switch or pull
a cord and instantly our office, home or store
becomes as brilliant as June sunshine. : : : :

Is Your House Wired?

The Week of Prayer service will be held at
the Central Presbyterian Church tonight at 7

JUDGE GARRETT S. WALL

Will File Bond For His New Office on Monday Next

Judge Garrett S. Wall returned from Frankfort on Friday and will prepare and file his bond for \$25,000 as a member of the Board of Control for Charitable Institutions on Monday. This appointment gives general satisfaction to all parties, as the fitness of the appointee is acknowledged by all.

Judge Wall was endorsed by the leaders of both parties, by all the members of the Board of Control, and the entire Official Staff of Governor Wilson, including Governor Cox and numerous men of prominence throughout the State. The effort to change the law and create a partisan Board will fail, as it has no other foundation, than a desire to make places for some disgruntled politicians who are out of a job.

COUNCIL PROCEEDINGS

Council met in adjourned session last night, Mayor Lee presiding.

The following deferred matters were disposed of—

The Committee, to whom was referred the matter of granting the Mason County Burley Society free taxation, reported that they had no right or power to grant any one free taxes. The disputed bill of Reed & Dawson, amounting to \$26, was refused payment.

Another bill of \$8 from Fred Dresel for distributing ballot boxes, went the same way.

Attention was called to the dangerous condition of the alley entrance between Straus and Murphy's stores in Second street, and same was referred to Committee.

The matter of a paid Fire Department was referred to Committee.

The matter of extending the corporation line so as to include James M. Collins' property was passed, with a proviso that he pay all expenses incurred.

Mr. and Mrs. Fred Zweigart have been entertaining a new daughter at their home in the West End for the past few days.

• NEWELL.

Honors and happiness are thrust upon our handsome and dignified new Circuit Court Judge, C. D. Newell, these days. The Stork visited the happy home of Judge and Mrs. Newell this morning and left a pretty girl baby.

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Fully Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorma A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

CHENOWETH'S Liquid Meat Smoker

Is not an experiment. It has been used for years in this locality with success and satisfaction. It enables one to smoke meat by the simple application of this concentrated liquid smoke. Time is saved. The meat is better preserved. Danger from fire and theft is avoided. The meat is not dried out by the tedious, old-fashioned process of smoking, and the saving of loss of weight will more than pay for the smoker. One bottle will smoke an ordinary butchering.

Price, 50c a Quart.

DRUGGIST, Cor. Second and Sulton Streets, Maysville, Ky

Mr. R. P. Cobb of North Carolina, one of the proprietors of the Tuckiho Tobacco Warehouse here, has been here all week looking after the interest of the plant and making the acquaintance of the farmers in general.

The river this morning marks 25.2 on gauge, still rising and full of heavy running ice. The river craft sheltered behind the ice piers and coal floats at the upper and lower grades remain safe without any damage. Two coal barges, a gasoline boat at the Aberdeen grade, and a houseboat in the narrows just above, were swept away by the ice yesterday morning. The Greenup wharfbroke broke loose yesterday and passed Portsmouth at 4 o'clock last evening and was due to pass here this morning, but owing to the dense fog on the river Captain Philster was unable to note its passage here. Captain Martin of the steamer D. T. Lane had steam up this morning preparatory to starting on a venturesome up-river trip toward Kanawha river.

Tobacco Prices Maintained! AT THE FARMERS' HOUSE.

While the sales for the week were not quite up to par in pounds, owing to the adverse weather, the prices of last week were maintained with noticeable strength on the better grades, especially on the color tobacco, prices ruling probably 5c higher. Bidding very active, with the usual buyers on the ground. Some of the prices obtained:
J. F. Lewis, Carter county—104c, 134c, 18c, 20c.
W. O. Downard, West Virginia—104c, 144c, 164c, 184c, 194c, 194c.
John Clark, Lewis county—124c, 134c, 154c, 184c, 194c.
C. L. Carpenter, Lee county—18c, 174c, 174c, 184c.
T. R. Rigdon, Fleming county—104c, 124c, 18c, 164c.
Freick & Curtis, Mason county—114c, 144c, 164c, 184c.
Get your tobacco ready for the high market and bring it to the Farmers' House, where we have unexcelled facilities for handling for the farmer and dealer, assuring all patrons that they will be honorably dealt with. Yours very respectfully,

Maysville Loose Leaf Tobacco Warehouse Co.

(INCORPORATED)

N. B.—Despite the fact that we advertised no sale for holiday week, the increased receipts necessitated a sale Wednesday, December 29th, 1909, at both the Farmers' and Tuckiho Houses. We cordially invite all interested to attend.

Our Colored Citizens.

"Aunt" Mahala Combs, colored, who died Wednesday morning, January 5th, at the residence of her son, Richard Combs, in West Fourth street, was born in Maryland, being brought here when a mere child. She was a slave in the Nelson family. She had been connected with the Owens family for twenty-five years. They have been very kind to her and have assisted her in her declining years. Interment in the Maysville Cemetery this afternoon in the Nelson lot. She was an old member of the Bethel Church.

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness.

A fox hunting party consisting of Mrs. Taubee, Mr. and Mrs. J. and Mrs. James Fitzgerald, Mrs. Lagrass and County Clerk William P. Dickson left last afternoon cozily encoined under blankets and robes in a two-horse sled for the glens, dales and hills of Mason county on a merry fox chase. The horns of the hunter were heard o'er the hill, etc., but the festive and wiley fox remained safe within his den. It was a jolly crowd and a merry time, all the same.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:

"Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."

Knocks the Master Commissioner-ship Plum—The Appointment a Popular One

Yesterday Garrett S. Wall tendered his resignation as Master Commissioner of Mason County, which was accepted, and thereupon Circuit Judge C. D. Newell announced the selection and appointment of A. Gordon Sulser as the successful candidate for the place.

Mr. Sulser is an enthusiastic Democrat, and since a voter a leader and faithful worker in the cause. He is a nice, clever gentleman, even though he be a Democrat, and Republicans and Prohibitionists and Suffragettes and all the rest are well pleased with the selection.

Representative Bennett has succeeded in securing the establishment of Ashland as a location for civil service examinations. Heretofore only Lexington, Louisville and Paducah were designated as places where applicants might be examined in Kentucky, and, to save railroad fare to Lexington, Representative Bennett secured the addition of Ashland.

Indorses Judge Cochran For Circuit Judgeship. Very High Tributes to Maysville Men.

The Fayette Bar indorses John T. Shelby for the U. S. Circuit Court of Appeals Bench and Attorney Shelby, seeing the unreasonableness of the movement, declines the indorsement and in an extract from Mr. Shelby's letter to The Lexington Herald the following high compliment is paid the Maysville Jurist, Judge Cochran:

"Notwithstanding my warm appreciation of it, however, I am sure that the action taken by the Bar was a mistake. Judge Cochran ought to be appointed to the United States Circuit Judgeship. His high personal character, his attainments as a lawyer and his eminent services as District Judge entitle him to this promotion, and he should have the united and enthusiastic support of the Bar of the whole District in the effort which is being made in his behalf.

"Knowing Judge Cochran as he does, and thoroughly appreciating his fitness for the position, the President is too just to consider the appointment of any one from this District over his head.

"May I not, therefore, be permitted to urge upon the members of the Bar the propriety of at once uniting in a vigorous movement to secure for this eminent public servant the reward which his proven abilities and fidelity to duty have fairly won. Very sincerely yours,
JOHN T. SHELBY."

We have the honor of knowing Judge Cochran but very slightly, but we know him by reputation and by the opinion of those for whose opinion we have most regard, and in their judgment, no more upright Judge, no higher gentleman, no more conscientious lawyer, over wore the ermine.

HON. GARRETT S. WALL.

We congratulate the State, we thank the Governor for the appointment of Judge Garrett S. Wall as a member of the State Board of Control.

We hope every other appointment made by the Governor and every officer elected by the Legislature will be of equally high character and standing as is Judge Wall. Kentucky could have no greater service rendered by her officers than to have so high a standard as Judge Wall set for the measurement of candidates for official positions. It is a source of gratification to every Kentuckian that the Governor selected him and that the Senate so promptly confirmed him as a member of that Board.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

REMOVE THE SNOW, GENTLEMEN!

The city officials should take some action this morning and this afternoon towards even partially clearing the business section of the streets and sidewalks from the deep snow, which renders walking and traffic difficult and nearly impossible. Some means surely can be devised of clearing away the great embankments of snow which make Second street, particularly, resemble the Arctic circle. This should be done while the snow is soft. When it cokes it will require five times the work to remove it. Do it now.
